ACH Payment Confirmation

- If you are receiving ACH payments, you will be able to track payment status via the “Pmt Status” Column
- There are four potential statuses:
 - **Payment Sent** - this means the payment file has been sent to the bank. Payment will remain in this status for up to two weeks, pending any return files.
 - **Payment Confirmed** - this means there were no return files from the bank, payment is considered deposited.
 - **Returned - [Return Reason]** - This means the bank has sent the payment back to Wellcare and you are required to update your ACH information to receive payment.
 - You will receive an email and portal notification every time you have a returned payment.
 - Examples of Return Reasons:
 - Invalid Account Number
 - Invalid Routing Number
 - Account Closed
 - **Payment Resent** - This means you have updated your ACH information via your portal and the payment file has been resent to the bank for payment.
- Resent payments are processed every Friday for payment the following Friday. Expect to receive your payment two weeks after you have made your ACH updates.

W9 FORM

Payee

You are eligible to declare a private company, that you legally represent or own, to be your payee. This means that any money earned is paid to the Tax ID of this company. It also means that the 1099 tax form issued to you will be in the name and Tax ID of this company. If you chose to declare a payee, you will be prompted to sign a W9 form for your declared company payee. If you chose to not declare a company as your payee, then you will be the payee on record. This means that the 1099 tax form issued to you will be in your name and SSN. You will be prompted to sign a W9 form with your information.

Do you want to declare a private company to be your payee? *

As you declared "yes", you will need to provide additional information regarding your payee in the section below. The information you enter below will be used to electronically generate a IRS W-9 Form.
